comparison date 03/06/2014

There were approximately 340 cows and 25 bulls penned, with the yarding declining by 22 head week-on-week. There was a regular export processor absent from the gallery resulting in weaker demand for all grades of cows. Quality was a little better, with a larger proportion of heavy weight cows showing good finish and fewer cows in the light weight categories. Most weights and grades were represented and prices eased 2c to 6c/kg for most. A plainer quality offering of bulls slipped 9c/kg for the heavy weights.

Most light and medium weight cows sold from 105c to 130c/kg. Most heavy weight cows made between 116c and 148c, after a top of 159c/kg for a high yielding C muscle cow. Heavy weight bulls sold between 152c and 172c/kg for the C and B muscled animals.
