

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 01 Jul 2014

Yarding Change 1050
-107

comparison date 24/06/2014

There was a small reduction in supply and similar to other markets young cattle continued to dominate the selling pens, along with a handful of heavy grown steers and bullocks and a good selection of cows. A fair panel of export trade and feeder buyers was present, however very few restocker buyers were active in the market. Young lightweight cattle sold to a patchy market according to quality. Medium and heavy weight yearling steers and heifers to feed sold to very strong competition and a small sample of local trade lines improved in price by 5c to 8c/kg. Cows sold to a firm to dearer trend with restocker classes 6c dearer, while good heavy cows to processors improved by 5c/kg.

Vealer steers to feed and restockers averaged 166c and 175c, respectively with some to 190.2c/kg. Vealer heifers mostly sold in the early 150c range with some to the butcher trade at 188.2c/kg. Medium weight yearling steers to feed averaged in the 170c range, while some to local butchers made to 196.2c to average 185c/kg. Heavyweights to feed averaged 179c and made to 195.2c, while those to slaughter averaged 180c and made to 207.2c/kg. Medium weight yearling heifers to feed averaged 145c and made to 164.2c, while local trade lines averaged 170c/kg. Poor quality classes mostly sold around 90c/kg.

The very small sample of heavy grown steers and bullocks averaged 165c and made to 168c/kg. Plain condition cows to restockers averaged 100c and made to 108.2c/kg. Medium weight 2 scores to processors averaged 106c and 3 scores 121c/kg. Good heavy cows made to 145.2c to average 5c dearer at 136c/kg. Heavy bulls made 161.2c/kg.
