Yarding Change $\frac{787}{-41}$

comparison date 22/09/2014

The yarding was almost unchanged from last week which was surprising given there is no sale next week due to the public holiday. A full gallery of buyers was in attendance. Competition was strong on prime bullocks and cows - showing an increase of 11c and 15c/kg, respectively. Feeder and store lines yarded were quite mixed in quality and condition but competition continued to be strong on the better quality and conditioned types.

Heavy bullocks sold to a top of 226.2c with most sales from 215c to 225c/kg. Prime score 4 heavy cows made to a top of 207.2c with prices ranging from 195c/kg. Grown steers to feed made 194c to 201c, while yearling steers made to 217.2c to average 210.2c/kg. Light feeder heifers to 330kgs made to 207.2c, with most from 168c to 180c/kg. Good heavy weight heifers, 400kgs plus, made to a top of 202c/kg
