

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 30 Sep 2014

Yarding Change ¹⁴⁶⁷/₆₆

comparison date 23/09/2014

There was a useful yarding of prime cattle, which included a line of certified grain fed Brahman cross steers. A full field of processor, feeder and store stock buyers was present and operating. Competition for prime steers and cows was strong, with prices similar to a touch better on last week's rates. Bulls were again dearer, with heavy bulls selling to 239.2c/kg. Feeder prices remained strong for those in the appropriate weight ranges. However plainer and underweight lines only met fair competition. Steers weighing to 330kg sold to feed up to 215c and averaged 205c/kg. Medium yearling heifers sold to 195c/kg.

Vealer steers to the paddock sold to 214c but averaged 186c/kg. Vealer heifers sold to 198c and averaged 185c/kg. Lightweight yearlings averaged 184.5c/kg. Heavy yearling heifers to the trade made to a top of 213.2c, with an average of 195c/kg. A line of certified grain fed steers sold to top at 212.2c and averaged 205.7c/kg.

Heavy bullocks sold to 218c and averaged 214c, while medium weight 3 score cows averaged 168c/kg. Heavy 4 score cows rose to 206c, averaging at 198c/kg. Medium weight bulls sold well to average 212c, whilst heavy bulls topped at 239c and averaged 220c/kg.
