

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Dalby

report date 01 Oct 2014

Yarding Change <sup>7321</sup>/<sub>3021</sub>

comparison date 24/09/2014

Dalby agents yarded 7,321 head for today's sale, an increase of over 3,000 head on last week. The larger offering sold to a full field of buyers with competition still good although numbers saw a reduction in prices across most categories. However, there was very little change in most classes with prime heavy steers back 4c to 5c and heavy 4 score cows were back 10c to 15c/kg. Feeder cattle met with strong competition in the major categories with prices firm to a shade better. Plain and out of specification lines were harder to move and this reflected in prices.

Medium weight yearling steers to feed were unchanged to average 212c and top at 222.2c/kg. Light weight yearling heifers to feed sold to 203.2c and averaged 190c/kg. Heavy bullocks sold well to a top of 222.2c for a 213c/kg average. Heavy 4 score heifers averaged 195.5c, with a top of 207c and top lines of heavy cows averaged 190c and sold to 197.7c/kg. Heavy bulls again sold strongly to 228c and averaged 215c/kg.
