The smaller yarding contained a fair mix of young cattle and a relatively small selection of bullocks and cows. The usual exporters were present and active in a generally dearer export slaughter market. A good panel of feeder operators were in attendance along with the usual trade and restocker buyers. Apart from young lightweight yearling heifers selling to a cheaper trend the remainder of the young cattle experienced strong demand. Heavy grown steers and full mouth bullocks improved in price by 6c to 7c/kg and the handful of cows averaged a few cents dearer.

A couple of calves returned to the paddock at 278.2c and well-bred vealer steers made to 291.2c to average 277c/kg. Feeder operators provided strong support on the vealer heifers with most around 229c with some to 234.2c/kg. Lightweight yearling heifers to feed averaged 217c and made to 220.2c/kg.

A pen of bullocks made to 241.2c and full mouth bullocks averaged 229c and made to 235.2c/kg. A couple of medium weight 2 score cows made to 161.2c and a couple of good heavy cows made to 208.2c/kg. Heavy bulls made to 213.2c/kg.
