

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Toowoomba Elders

report date 22 Jun 2015

Yarding Change 825  
-276

comparison date 15/06/2015

Numbers reduced by 25% following the large yarding the previous week and overall quality across all classes was very mixed. A fair panel of buyers was present and operating and prices generally improved for most descriptions. Restockers, feed operators and the trade lifted prices where the quality allowed. Export slaughter descriptions also experienced a dearer trend with cows gaining 6c to 9c/kg.

Calves returning to the paddock made to 290.2c to average 240c/kg. Vealer heifers to the trade averaged 6c better at 224c with a handful to feed reaching 233.2c/kg. Light weight yearling steers to feed averaged 250c and some returning to the paddock made to 274.2c while poor quality lines averaged 170c/kg. Medium weight lines to feed averaged 270c and make 280.2c/kg. A few heavy weights to the trade made to 276.2c/kg. Light weight yearling heifers mostly sold around 218c, with some to restockers reaching 228.2c/kg. A small selection of medium weights to feed averaged 215c and a handful to the trade made to 254.2c/kg. A pen of very well presented heavy yearling heifers sold to the trade at 293.2c/kg to return \$1,419/head.

Heavy grown steers sold to the wholesale meat trade at 262.2c and bullocks made to 250c to average 242c/kg. Medium weight 2 score cows averaged 174c and made to 185c while the better end of the medium weights averaged 200c/kg. Good heavy cows made to 212.2c to average close to 209c/kg. Heavy bulls made to 221.2c/kg.
