report date 06 Jul 2015

Yarding Change ⁵¹²
124

comparison date 29/06/2015

The trend of larger numbers continued and young cattle dominated the selling pens along with a handful of bullocks and a relatively small selection of cows. Buyer representation was generally good and all were active and providing stronger support across good quality classes. Vealer heifers to feed and the trade averaged 11c better and this trend flowed onto the light and medium weight yearling heifers while other classes of young cattle experienced only quality related price changes. Cows experienced stronger demand from processors to average 7c/kg dearer.

Vealer heifers to feed made to 261.2c to average 250c/kg. Light weight yearling steers to feed averaged 266c and made to 280c and medium weights reached 290c/kg. Light weight yearling heifers to feed averaged 237c and sold to 240.2c/kg. Medium weights to the trade made to 278c while feeder classes averaged 240c and made to 250.2c/kg.

A fair sample of medium weight grown steers to feed averaged 260c and made to 268.2c/kg. A couple of very heavy certified grain fed bullocks made to 250.2c to return over \$2,000/head. Medium weight 2 score cows averaged 188c and 4 scores returned 219c/kg. Good heavy cows made to 225.2c to average 221c/kg. Heavy bulls made to 259.2c/kg.
