

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Landmark

report date 19 Oct 2015

Yarding Change 298
-846

comparison date 12/10/2015

There was a massive drop in supply following the cheaper prices experienced in the very large yarding the previous week. Most of the usual buyers were in attendance and operating on the reduced quality penned. The better end of the trade and feeder cattle met fair demand while the lesser quality lines experienced a difficult market. The export slaughter cattle of heavy grown steers, bullocks and cows varied in price according to quality.

Medium weight yearling steers to feed averaged 284c and made to 290c and a handful of heavy feeders made to 291.2c to average 289c/kg. A good sample of medium weight yearling heifers to the trade made to 293.2c, with most around 275c/kg.

Medium weight grown steers to feed averaged 270c and made to 271.2c/kg. Heavy grown steers and bullocks mostly sold around 280c, with a pen of full mouth and 6 tooth bullocks reaching 277.2c/kg. Medium weight 2 score cows averaged 200c and made to 207.2c/kg. A handful of good heavy cows made to 237.2c to average 230c/kg.
