

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date 23 Oct 2015

Queensland over-the-hook prices continued to slide this week, particularly amongst the cow categories, with no contributors offering 500¢/kg cwt for top heavy cows. Grainfed cattle, however, were less affected, with decreases restricted to less than 5¢/kg cwt. After the short kill week two weeks ago, slaughter numbers returned to normal last week, with 80,500 adult cattle processed across the state.
