

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Landmark

report date 02 Nov 2015

Yarding Change 704
441

comparison date 26/10/2015

The huge lift in supply was dominated by few large consignments from western districts combined with some from the local area. A fair panel of buyers competed in a generally dearer market. Feeder operators, restockers and the trade provided stronger demand for all classes of young cattle and prices lifted accordingly. Exports slaughter descriptions experienced a dearer trend, with cows 5c to 10c dearer and up to 16c/kg in places.

Light weight yearling steers to feed averaged 316c and made to 319.2c/kg. Medium weights to feed averaged 305c and sold to 317.2c/kg. A fair sample of heavy weights to feed made to 314.2c, with most around 303c/kg. A few to the trade made to 305.2c to average 302c/kg. Light weight yearling heifers to feed met keen demand and averaged 286c and made to 297.2c/kg. Medium weights to feed averaged 284c and made to 290c/kg.

Heavy grown steers made to 303.2c, with a fair sample around 289c while a few bullocks made to 299.2c/kg. Medium weight poor condition cows averaged 226c with the occasional sale to 233.2c/kg. Medium weight 3 scores averaged 241c and the better classes averaged 247c and made to 255.2c/kg. Good heavy cows made to 258.2c to average 252c/kg. Heavy bulls made to 241.2c/kg.
