

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Warwick

report date 23 Feb 2016

Yarding Change <sup>1369</sup>/<sub>92</sub>

comparison date 16/02/2016

Numbers remained close to the previous week's level and the usual panel of buyers was present and operating in a generally dearer market. Medium weight yearling steers to feed lifted in price by 11c to 14c/kg, pushed on by some extra restocker competition. A good supply of heavy weight yearling steers to feed experienced very solid demand. Medium weight yearling heifers to feed averaged 1c to 4c/kg better. Heavy grown steers and bullocks averaged 5c/kg dearer due to some additional demand from the local meat trade. Prices for cows experienced a small improvement of 1c to 3c/kg.

A small selection of vealer heifers averaged 333c with some to local butchers reaching 341.2c/kg. Lightweight yearling steers returning to the paddock averaged in the 350c range with sales to 372.2c/kg. Medium weight yearling steers to feed averaged 338c and made to 361.2c/kg. Heavyweights to feed mostly sold around 322c with a few pens reaching 330c/kg. Lightweight yearling heifers to restockers made to 331.2c with most around 328c/kg. Medium weight yearling heifers to feed averaged 318c and made to 330c/kg.

Heavy steers made to 296.2c, while the bullocks made to 292.2c, to average 281c/kg. Medium weight 2 score cows averaged 211.2c, while good heavy cows made to 238.2c with a fair sample averaging 234c/kg. Heavy bulls made to 266.2c/kg.
