

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 31 May 2016

Yarding Change 1119
-506

comparison date 24/05/2016

Numbers reduced by 31% and feeder plus restocker attendance and activity was generally good, however not all the major exporters were operating. Young cattle sold to a dearer trend with stronger support from feeder operators, restockers and the trade. Vealer heifers averaged 8c to 11c/kg dearer. Light weight yearling steers returning to the paddock averaged close to 20c better, while medium weight yearling steers and heifers to feed lifted in price by 10c/kg. Most of the bullocks were full mouth classes and sold to a market 2c/kg dearer. A very mixed quality line-up of cows generally sold to firm demand with some small improvements in places.

Mixed sex calves returning to the paddock averaged 291c, however some heifer calves made to 340.2c, with some steer calves reaching 370.2c/kg. Vealer heifers mostly sold in the high 270c to mid 280c range with some to 297.2c/kg. Light weight yearling steers to restockers generally sold around 312c, with sales to 331c/kg. The largest number of medium weight yearling steers to feed averaged 305c, while some well-bred lines averaged 322c, and made to 337.2c/kg. Heavy weight yearling steers to the trade averaged 282c/kg. Light weight yearling heifers mostly sold in the mid-to high 270c range, while medium weights to feed averaged 300c/kg.

Full mouth bullocks made to 284.2c, to average 279c/kg. Medium weight 2 score cows averaged 201c, and sold to 213.2c/kg. Good heavy cows averaged 239c, and made to 241.2c/kg. Heavy bulls made to 265c/kg.
