

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba

report date 13 Jun 2016

Yarding Change ¹¹⁰³
659

comparison date 06/06/2016

There was a large lift in supply following the rain reduced yarding of the previous week. A fair panel of buyers was present and operating in a generally dearer market. Young cattle were in the largest numbers along with a small selection of bullocks and a fair sample of cows. Lightweight young cattle to restockers improved a further 5c to 6c/kg. However medium and heavy weight yearling steers to feed averaged 10c to 20c/kg better. Bullocks improved in price by 2c, while cows averaged 5c to 10c/kg dearer and considerably more on a handful of good heavy cows.

Calves to restockers made to 340.2c with most around 317c/kg. Vealer heifers averaged 307c and made to 308.2c/kg. A good sample of lightweight yearling steers returned to the paddock at an average of 326c with some to feed reaching 340.2c/kg. Medium weight yearling steers to feed mostly sold around 319c with sales to 335.2c/kg. The occasional heavyweight yearling steer to the trade made to 340c, while most to feed averaged 314c with sales to 330c/kg. Lightweight yearling heifers mostly sold in the 280c range with some to 300.2c/kg. Medium weight yearling heifers to the trade made to 322.2c to average 295c/kg.

Bullocks made to 302.2c to average 298c/kg. Medium weight 2 score cows averaged 218c and made to 227.2c/kg. A handful of good heavy cows averaged 260c with some to the occasional 280.2c/kg. Heavy bulls made to 258.2c/kg.
