

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 05 Jul 2016

Yarding Change ¹⁵⁷⁵/₅₅₄

comparison date 28/06/2016

Numbers increased by 54% and young cattle were in the largest numbers, along with a few pens of heavy grown steers and bullocks and a fair selection of cows. Export buyer attendance was generally good however some of the feed and trade buyers of the previous week were absent. Young light weight cattle to restockers generally sold to very solid demand while medium weight yearling steers to feed for the domestic market improved a further 6c/kg. However heavy grown steers and bullocks averaged 2c less and cow prices could not hold up to the very high levels of the previous sale and lost 8c to 17c/kg.

Calves returning to the paddock made to 386.2c to average 337c/kg. Vealer heifers mostly sold around 318c, with some to local butchers reaching 335.2c/kg. Light weight yearling steers to restockers made to 394.2c, with a fair sample around 361c/kg. Medium weight yearling steers to feed made to a top of 388.2c, with the largest numbers from 351c to 361c/kg. Heavy weight yearling steers to feed averaged 346c and made to 354.2c/kg. Light weight yearling heifers to feed averaged 317c and made to 325.2c/kg. Medium weight yearling heifers to feed reached 353.2c, with most close to 339c/kg.

Heavy grown steers made to 337.2c, to average 324c, and a few bullocks made to 335.2c/kg. Medium weight 2 score cows averaged 222c and made to 235c/kg. Good heavy cows averaged 273c, with a few pens to 281.2c/kg. Heavy bulls made to 280c/kg.
