

Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 15 Jul 2016

Widespread rain throughout northern regions contributed to eastern states feeder prices holding firm to marginally dearer across most sections this week. Some categories in the physical market were the exception however, while domestic lines eased on the improved conditions recorded the weeks prior, and those to export followed a similar trend.

Domestic Paddock Sales

Category	Weight Range	Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350	0	345	360	354	NC
Heifer	280-350	0	300	355	336	1
