comparison date 25/07/2016

Numbers remained very close to the previous week's level and similar to the previous sale, mixed quality young cattle were in the largest numbers along with a handful of bullocks and a reasonable selection of cows. A fair panel of buyers were present and operating. Restockers were very active on good quality light weight yearling steers and lifted average prices by a further 14c/kg. Medium and heavy weight yearling steers continued to experience very strong support from feeder operators. The handful of bullocks penned sold to a cheaper trend, however cows were in demand to experience some improvements in places.

Light weight yearling steers to restockers made over 400c/kg on a number of occasions with sales to 424.2c, to return \$1039/head with most sales around 378c/kg. Medium weight yearling steers to feed made to 385c to average 354c/kg. Light weight yearling heifers mostly sold in the 320c range with some to 330.2c/kg.

A few bullocks made to 309.2c/kg. Medium weight 2 score cows averaged 233c and made to 234.2c/kg. Heavy 3 scores averaged 257c, while good heavy cows made to 271.2c to average 269c/kg. Heavy bulls made to 293.2c/kg.
