

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 08 Nov 2016

Yarding Change ⁶⁷⁰⁰
800

comparison date 01/11/2016

Yarding numbers increased by 12% from the previous store sale. It was a mixed quality yarding with several pens of good sorts penned, plus large consignments of plain western Queensland cattle. All the usual restocker buyers were at the sale and were more selective when buying. Extra feedlot buyer competition lifted medium weight yearling steers prices by 13c/kg, while heavy weight yearling steers to feed held firm in price. Good quality light weight heifers sold well and medium weight yearling heifers to feed were 6c/kg cheaper on average.

Steer calves sold to 420c, while light weight yearling steers made to 418c and averaged between 378c and 394c/kg. Medium weight yearling steers to feed topped at 374c and averaged 356c/kg. Heavy weight yearling steers to feed earned to 358c and averaged 339c/kg. Light weight yearling heifers sold to 394c and averaged between 342c and 372c/kg. Medium weight yearling heifers to feed reached 320c and averaged 303c, down 6c/kg.

Store cows going to restocker buyers sold to 252c and averaged between 228c and 239c/kg.
