

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 22 Nov 2016

Yarding Change 5500
0

comparison date 15/11/2016

Yarding numbers remained the same as the previous store sale. It was a very mixed quality penning of cattle, with large numbers of aged western sorts consigned. Good numbers of restocker buyers were keen to secure light weight yearling steers, while solid competition continued between restocker, feedlot, and NSW processor buyers for light weight yearling heifers. Processors showed more interest in cows and restocker buyers provided good competition for store cows.

Light weight yearling steers hit 426c and averaged between 371c and 397c/kg. Medium weight yearling steers to feed topped at 378c and averaged 353c, while those to restockers made to 416c and averaged 358c/kg. Heavy weight yearling steers to feed earned to 346c and averaged 333c/kg. Light weight yearling heifers reached 400c and averaged between 335c and 368c/kg. Medium weight yearling heifers to feed reached 344c and averaged 312c/kg.

Grown steers to feed sold between 316c and 273c/kg. Medium weight 3 score cows hit 240c and averaged 235c, while heavy weight 4 score cows topped at 252c and averaged 243c/kg.
