Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 13 Jan 2017

In the first report for the New Year, the eastern states feeder indicators varied this week - with the majority of contributors lifting quotes marginally, and others remaining unchanged. Mixed weather conditions across the eastern states resulted in a fluctuating trend, as much needed rainfall can reportedly be expected in some regions over the coming weeks.

Domestic Paddock Sales

Domestic Paddock Sales							
Category	Weight Range		Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350		0	350	360	354	NQ
