

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 31 Jan 2017

Yarding Change 4362
-378

comparison date 24/01/2017

The supply of stock experienced a small reduction and overall quality was fair to good, however the large runs of well-bred light weight young cattle at the previous week's sale were absent. A large panel of restockers, feeder operators and export processors were in attendance and all were operating. Light weight yearling steers to restockers sold to a strong demand for the quality pens. Medium and heavy weight yearling steers to feed sold to a dearer trend to improve by 7c to 10c/kg. Despite a 24 % increase in the number of cows penned buyers absorbed the larger numbers and lifted average prices by 1c to 9c/kg.

A good range of light weight yearling steers sold to restockers at an average of 404c and made to 420.2c/kg. A more robust penning of medium weight yearling steers to feed averaged 371c and made to 392.2c/kg. Heavy weight yearling steers to feed averaged 351c and made to 358.2c/kg. Light weight yearling heifers to restockers experienced only quality related price changes with most in the high 340c range with sales to 368.2c/kg. Medium weight yearling heifers to feed averaged 5c better, to average 334c and made to 352.2c/kg.

Heavy grown steers to export slaughter averaged 308c and made to 314.2c/kg. Medium weight plain condition cows sold to restockers averaging 240c/kg. Medium weight 2 scores to processors mostly sold around 232c with sales to 237.2c/kg. Good heavy cows were in the largest numbers and averaged 257c with the occasional sale to 270.2c/kg. Heavy bulls made to 268.2c/kg.
