This week's offerings started the increase back into spring numbers. Sheep and lambs totalled 32,360, while cattle finished at 3,916.

Some top quality lambs appeared this week, both new season and older lambs. 900 well grown Hazeldean bld 12 month old Merino wether lambs weighing 51kg with a big skin made \$110.50.

A large line of Border/Merino mixed sex 4-5 month old lambs at Wee Waa weighing 28kg made \$110; 3 month old 20kg Poll Dorset crosses at Cootamundra made \$93. Let's hope there are more spectacular lamb prices to be achieved come autumn.

Exporters were still holding off this week, but some good results were achieved through restocker and processor competition. 1000 bare shorn Merino wethers at Muttaburra estimated to dress 19kg that were passed in last week sold on Tuesday for 415c/kg cwt or \$78.50.

Young unjoined ewes are continuing to build interest, with growers looking forward to a good season come Spring. Merinos topped at \$167 for Bungulla blood ewe lambs at Manilla; and Border/Merino ewe lambs made to \$222.50.

Excellent clearance was again achieved in today's cattle sale, with over 250 bidders logging in. Three lots of cows with calves at foot offered today all made above \$1500, and young Angus PTIC heifers reached \$980.

Weaner cattle performed better than last week, with Angus steers well above 250c/kg; small offering from Tasmania saw 180kg steers make well above their reserve to finish at 319c/\$575, and the 168kg heifer portion reach 301c.

Some good quality yearling cattle were also on offer, and with the season expected there was increased restocker demand to compete with feedlots. Several lines of Shorthorn cross steers weighing from 280-320kg made 217-235c; heavier yearling steers out of Victoria made 219c/\$860 for Charolais/Angus steers weighing 392kg at 15-16 months; and 16-18 month old Angus steers weighing 471kg sold for 195c/\$920.

Our second WooltradePlus auction on Thursday saw 850 bales on offer. The next auction will be on Tuesday 30th August at 11am.
