

## Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

### New South Wales

report date

10 Jun 2011

Rates were dearer across the board due to a number of processors lifting rates. Over the past fortnight numbers have tightened and good rainfall has further slowed turn off. Competition remains strong going into winter.

MSA eligible cattle recorded higher rates as suitable lines were harder to source.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
