

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Elders

report date 06 Jun 2011

Yarding Change ⁸⁰⁶
120

comparison date 30/05/2011

The number of cattle yarded was up slightly, consisting of a good supply of young cattle, a good penning of bullocks and steers and a fair yarding of cows. Quality of the young cattle was mixed with a few pens of well finished vealers and yearlings, however most were of plainer condition.

Competition was strong for the limited supply of vealers, and trade vealers were up by 5c toping at 218.2/kg. Most of the steer calves and yearling steers went to restockers and feeders at recent strong rates. Trade yearling heifers sold to a top of 221.2c, while feeder heifers topped at 202.2c/kg.

The yarding of export cattle consisted of a good penning of bullocks and steers, with quality fairly mixed. There were several pens of heavy and medium weight bullocks and a fair number mixed steers. The yarding of cows was made up mainly of heavy and medium weights. Competition was strong with the market slightly dearer.
