

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Landmark

report date 19 Sep 2011

Yarding Change ⁵⁰⁰
180

comparison date 12/09/2011

The yarding consisted of a good supply of young cattle, while bullocks and grown steers dominated the grown cattle. The young cattle consisted of some prime vealers suitable for the trade and several pens of well bred cattle that were keenly sought after by restockers and feeder buyers and a few pens of trade yearlings.

The market held up well with vealer heifers to slaughter selling to 226.2c to average 216c/kg. Restocker vealer steers topped at 256.2c/kg. Trade yearling steers ranged from 175c and 204.2c, while feeders topped a 227.2c/kg. Trade yearling heifers sold to 206.2c to average around 198c and feeders topped ay 215.2c/kg.

The yarding of export cattle consisted of a consignment of well finished bullocks and grown steers that met keen demand from processors, topping at 195.2c to average 193c/kg. Grown heifers held firm, as did the cow market.
