

## Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

### New South Wales

report date

07 Oct 2011

Direct to works rates edged higher after some processors lifted rates again in response to the stronger physical market prices. Competition is expected to remain strong with supplies likely to be tighter following the rain. However, when the bulk of the prime cattle hit the market they will be in good condition.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
