

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date 28 Oct 2011

A stable trend was recorded across most categories in the north and south, as only limited adjustments were made. Supplies of grass and grain fed cattle remain tight and competition is strong, which has underpinned the market in recent times. The forecasted rain may further delay cattle turn off next week.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
