

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 04 Nov 2011

Rates were cheaper across the board as a number of processors lowered rates. Demand has eased with the high A\$ and the ongoing inconsistencies in cattle supply influencing the market. Quality is generally good with plenty of high yielding lines being offered.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
