A smaller good quality yarding containing 1,005 cows and 89 bulls sold to steady SA and Victorian processor competition at generally lower levels. Most of the regular buyers were present, albeit with most only sourcing limited numbers as the Christmas/New Year holiday period approaches. However, there was a solid restocker order from Lucindale for younger D3 Angus cows, while another agent was sourcing plain quality D2 medium weights.

The D2 to C6 medium and heavy beef cows sold from 118c to 159c, to be 1c to 11c/kg cheaper with the D3 medium weights most affected. This tended to leave most beef cows selling in a 260c to 295c/kg cwt price range. A couple pens of pastoral bred sold from 134c to 138c and were averaging 13c/kg less. Dairy D1 to D3 sales ranged between 112c and 136c, to be 11c cheaper and averaging 275c/kg cwt. Medium and heavy bulls to Victorian processors and token restocker inquiry sold from 142c to 171c to be unchanged to 6c/kg cheaper. Friesian bulls sold from 132c to 141c/kg.

The next split cow and bull sale will be held on Friday 13th January 2012 commencing at 8.30am.
