

AuctionsPlus Market Report week ending 27 July 2012

Recent rains have not brought out the flush of stock this week in time for spring with a small offering of sheep and lambs totalling just 19,780 on offer falling by 6,150 head whilst cattle numbers were slightly stronger again at 5,421 head in two sales on Friday.

It is rare now for a Tuesday sheep auction to have only one sale and the catalogue was certainly a mixed selection with ewes and wethers being in the majority. Thursday looked like a ewe special sale and the market improved slightly with a bigger showing of re-stockers. For wethers we can see a trading range between \$68 to \$85.50/hd with quality being a price driver. Two lots totalling 1,255 head of Bundarra merino wether lambs, 9-10 months, sold for \$71 and down in Wellington 580 2 year old merino wethers sold for \$68 weighing 19.9kg dressed. Further south in Wentworth, 640 Merino wethers at 12 months old sold for \$83 at 20.5kgs whilst the lighter run of 700 wethers at 17.6kg dressed made \$75, both with Willalooka blood. Have a look at the 12 month old wether lambs from Carrieton SA, Ashrose blood weighing 21.7kg making \$85.50 with solid competition.

Those chasing Merino or Merino cross ewes had some choice this week and momentum might just be starting to build. To kick off 330 Primeline Lambpro SIL ewes at 12 months made \$140 ex-Wagga. In Finley 136 Border Leicester/Merino SIL Ewes at 13 months sold for \$181, whilst similar but lighter SIL ewes down the road at Jerilderie made \$176. In Nyngan 100 F4 - F5 joined White Dorper ewes at 13-15 months sold for \$175. 4-6 yr old Border Leicester/Merinos SIL made up to \$120.50. Older pure merino SIL ewes at 5-7 year olds were making \$65 in NSW but not all were sold.

Starting with cows, a good result for 168 Herefords, 5-9 years PTIC sold for \$940 ex-Scone and in Carrathool 280 9 year old PTIC Angus cows sold for \$865, while down in Victoria 6-9 year old Te Mania Cows and calves ex-Branxholme sold for \$1120, 280 Angus cows, Te Mania Blood 8-9 yrs passed in for \$890. In Talwood, Queensland 74 Droughtmaster cows and calves 6-11 years PTIC made \$885. Heifers looked steady this week except for improving Angus cattle. Blackall Santa and Santa cross heifers, 18-24 months weighing 425kg selling for \$740. In Warwick 24 Santa Cross Angus heifers 15-18 months, 437 Kgs unjoined sold for \$930. 80 Angus heifers from Walcha sold for \$755 and in Wagga 24 Angus heifers 21-27 months joined sold for \$1100 while 6 Angus heifers from Inverloch 22-24 months PTIC with Te Mania Blood sold for \$850.

Quite a few 10-16 month old steers to bid on this week with prices from \$685-755 and the heavier end continues to perform well. Of note were 96 376kg Santa cross and Droughtmaster steers selling for \$740, then at Tamworth 38 Angus/Simmental cross steers 334kg for \$715. Mudgee Angus steers 325kg sold for \$750 and the same price for Crookwell Angus cross steers weighing 362kg. Finally at Bungendore on offer were 93 Angus steers 8-10 months, 352Kg that made \$755.
