

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 16 Feb 2012

Yarding Change ³⁶⁵⁵/₅₀₅

comparison date 09/02/2012

Quality remained mixed and numbers lifted with extra vealers yarded compared to the last market. Yearlings were well supplied with a good selection of grown steers penned. There were around 600 cows yarded and the usual buyers competed in a firm to slightly cheaper market.

Medium weight yearling steers to restockers and lot feeders eased 6c to 8c, as the heavy weights lost 3c/kg. The best to the trade reached 225c/kg. Yearling heifers sold at similar values as those to feeders ranged from 177c to 205c, while the best to the trade reached 220c/kg.

Heavy grown steers to slaughter remained firm to 2c cheaper to sell from 172c to 189c/kg, the latter for a well finished B muscle. Grown heifers held firm after reaching 182c/kg. Cows remained equal in price as the plainer D2 pens averaged 137c/kg. The better finished 3 and 4 scores ranged from 137c to 154c/kg. The best heavy weight bull reached 169c/kg.
