comparison date 13/02/2012

The smaller yarding contained a good quality run of cattle from the Goombungee Haden Oakey beef classic. Apart from the show exhibits the quality of the remainder of the stock penned was fairly plain. This was also reflected in prices and apart from the show exhibits, as most other classes could not maintain the prices of the previous sale. Young cattle averaged around 2c to 3c cheaper, and export classes lost 4c to 5c/kg. Buyer attendance was good with representatives covering all classes.

A few calves to the trade at 216c and a few returning to the paddock at 222c with sales to 225.2c/kg. Restockers were very active on a good quality run of vealer steers and push prices up to 260.2c with most just under 250c/kg. Vealer heifers averaged 1c cheaper at 218c the occasional sale to 235.2c/kg. A handful of B muscle yearling steers from the show made to 242.2c while the remainder averaged 221c/kg. A large selection of medium weight yearling steers to feed averaged 221c and made to 227.2c/kg. Some very heavy yearling steers made to 228.2c to average 197c/kg. Medium weight yearling heifers to feed lost ground in value to average 196c with sales to 204.2c/kg. A heavy prize-winning yearling heifer made to 245.2c with the remainder around 200c/kg.

Heavy steers to export slaughter made to 189.2c to average 183c, and a handful of bullocks sold around 180c/kg. Medium weight 3 score cows averaged 142c and sold to 145.2c/kg. Good heavy cows made to an isolated 169.2c with most at 159c/kg. Heavy Bulls made to 159.2c/kg.
