

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Naracoorte

report date 05 Jun 2012

Yarding Change 748
-119

comparison date 29/05/2012

A smaller mixed quality yarding containing 279 young cattle, 45 grown steers, 298 cows and 36 bulls which sold to steady trade and export competition from most of the regular SA and Victorian buyers. The feeder and restocker orders were also active where quality suited. Fresh quality vealer steers sold stronger while supplementary fed yearlings attracted strong competition. A generally good quality yarding of beef cows tended to sell at improved levels.

Vealer steers in limited numbers to the trade sold from 200c to 215c/kg at basically unchanged prices. Feeders and to a lesser extent restockers sourced C1 and C2 mainly lightweight Angus steers from 180c to 200c, or 4c/kg less. Vealer heifers in small lines to the trade sold between 200c and 210c at prices 11c/kg cheaper. The C and D muscled sales to feeder and restocker activity were from 150c to 185c/kg. Yearling steer C2 and C3 sales to the trade were from 192c to 212c with a B muscled sale at 215c, to be 16c/kg dearer. Yearling heifer C3 medium weights sold from 182c to 190c to be 6c/kg dearer.

Grown steer C2 and C3 sales were between 175c to 180c, or 9c cheaper and averaged 325c/kg cwt. Small numbers of grown heifers sold from 126c to 165c/kg at lower levels. Beef manufacturing steers sold from 115c to 158c/kg. The 2 to 5 score beef cows sold from 126c to 140c /kg. The 1 and 2 score plain quality beef cows were from 122c to 132c/kg. Medium and heavy bulls to processor inquiry sold from 125c to 160c to be averaging around 10c/kg dearer.
