

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 19 Jun 2012

Yarding Change $\frac{7300}{3081}$

comparison date 12/06/2012

Numbers jumped 58% while recent widespread rainfall has brightened livestock producer's outlook for winter and recent market price improvements attracted more cattle. The laneways were full of restocker buyers eager to purchase the large numbers of light weight weaner cattle on offer. Overall, light weight yearling steers gained 7c/kg while all the usual feedlot buyers were operating. The light weight yearling heifers to feedlot buyers rose 4c/kg, but those returning to the paddock failed to maintain the previous store sales prices. Cows and calves found new restocker buyer interest after the recent lull in demand due to cold weather conditions.

Light weight yearling steers sold to 248c and averaged 220c, up 7c/kg. Medium weight yearling steers to domestic feed topped at 216c and averaged 198c, up 13c/kg. Those to restocker buyers earned to 207c and averaged 204c/kg, unchanged in price. Heavy weight yearling steers to feed made to 197c and averaged 194c, up 3c/kg. Light weight yearling heifers to feedlots topped at 198c and averaged 190c, up 4c, while those returning to the paddock sold to 192c and averaged 180c, down 19c/kg. Medium weight yearling heifers to feed reached 176c and averaged 175c, down 17c/kg. Those to restockers made to 190c and averaged 182c, up 4c/kg. Heavy weight yearling heifers to processors hit 169c and averaged 167c, up 8c/kg.

Grown heifers to processors topped at 163c and averaged 159c, down 7c/kg. Medium weight 2 score cows hit 128c and averaged 123c, down 2c/kg. The 3 score cows to processors sold to 138c and averaged 128c, up 6c/kg. A few plainer Hereford PTIC heavy weight cows averaged 126c, while heavy weight 4 score cows earned to 146c and averaged 143c/kg unchanged in price. Cows and calves sold to \$1100/unit and averaged \$921/head.
