

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 28 Jun 2012

Yarding Change 2040
-1180

comparison date 21/06/2012

Consignments slipped for a small offering of mixed quality cattle. Fair numbers of younger cattle together with a good supply of older export lots were penned. The usual buyers along with an extra feeder order competed in a market that sold on average from 2c to 7c/kg dearer.

Vealers sold firm with only breed and quality contributing to any price variations. Medium weight vealer steers returning to the paddock ranged from 191c to 213c as the best heavy weights to the butchers reached 225c/kg. Yearling steers to feed and restockers gained 5c to 6c/kg as heavy weights to trade orders remained firm in value. Yearling heifers lifted 7c to lot feeder and restocker orders as heavy weights to the butchers improved 3c/kg.

Medium weight steers sold to lot feeders gained 4c as heavy weights to slaughter remained firm as the best reached 198c/kg. The heifer portion improved 5c to sell from 168c to 185c/kg. Cows continued the dearer trend to gain from 2c to 6c/kg. The plainer 2 scores averaged 130c as the better covered 3 and 4 scores ranged from 125c to 155c/kg.
