

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Landmark

report date 02 Jul 2012

Yarding Change 275
-555

comparison date 25/06/2012

The wet weather reduced numbers dramatically, and the smaller yarding was dominated by young cattle, with only a small selection of export classes. A full panel of buyers were present which included extra restocker operators. Prices for young cattle improved with lesser quality lines receiving stronger support from restockers. A handful of plainer cows to processors also saw increased competition.

A few vealer steers returned to the paddock at 227c, while the small number of vealer heifers sold to the trade at 202c/kg. Medium weight yearling steers to feed averaged 202c and sold to 206c/kg. Heavy yearling steers to feed averaged 192c and sold to 197c/kg. A fair sample of lightweight yearling heifers returned to the paddock at 188c and sold to 190c/kg.

A few medium weight 2 score cows averaged 125c and sold to 127c/kg. A couple of good heavy cows made to 141.2c/kg.
