

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 24 Aug 2012

Rates have remained unchanged as supply is sufficient for current demand. There are reports of increased numbers of cattle entering the market, although not enough to prompt contributors to ease prices. The cold weather is still affecting quality across all categories.

Please note EU prices are a no quote this week.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
