

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date

31 Aug 2012

The majority of contributors left rates unchanged as supply is sufficient for current demand. One contributor did ease prices by 5¢/kg as they are not actively seeking supply, while another increased MSA prices by 10¢/kg. Quality still remains and issue with the better finished lines hard to source.
