The trend of a shorter supply of stock continued and apart from very few calves and vealers there was a fair representation of most other classes. Buyer attendance was good with representatives covering all categories. Restocker activity was not as strong as previous sales and prices for young cattle varied according to quality. Export descriptions of heavy steer bullocks and cows experienced a dearer trend.

Lightweight yearling steers returned to the paddock at 214c with sales to 218.2c/kg. Medium weight yearling steers to feed averaged in the early 200c range with sales to 219.2c/kg. Lightweight yearling heifers to feed average 185c and sold to 190c/kg. Medium weight certified grain fed yearling heifers averaged 198c and sold to 199.6c, while some out of the paddock averaged 188c/kg. Heavy weights also to the trade averaged 181c and sold to 188c/kg.

Heavy steers to export slaughter averaged 180c and bullocks made to 183.6c to average 182c/kg. Most of the cows were in the 4 scores range and medium weights averaged 146c and heavy classes 150c with sales to 152c/kg. Heavy Bulls made to 178.6c/kg.
