

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 04 Oct 2012

Yarding Change 4455
1770

comparison date 27/09/2012

Consignments jumped with extra western cattle entering the competition. Yearlings were well supplied with good runs of grown steers and heifers also represented. There were around 290 cows sold and overall the market remained solid throughout except for some categories of the younger heifers which struggled in the competition.

Yearling steers remained firm for the better end as the light and medium weights to feed and restocker orders ranged from 170c to 201c/kg. Heavy weights to feeders and the trade also sold to solid competition as a selection of prime conditioned drafts to feeder orders reached 208c/kg. Light yearling heifers to restockers and feeder orders sold to strong competition as a better selection was yarded compared to the previous market. Medium and heavy weights to feeders and the trade struggled in the competition with some trade orders failing to compete.

Unfinished medium weight grown steers to lot feeders remained firm as prime conditioned heavy weights to slaughter also sold at similar prices to top at 200c/kg. The heifer portion remained firm as the best reached 183c/kg. Cows sold firm to 4c dearer as the plainer 2 scores averaged 126c/kg. The better finished 3 and 4 scores ranged from 131c to 158c/kg. Heavy bulls improved 6c as the best reached 178c/kg.
