

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Wodonga

report date 06 Nov 2012

Yarding Change 1100
-1000

comparison date 30/10/2012

Numbers decreased due to the Melbourne cup public holiday and quality was quite good across all weights and grades. The usual turnout of domestic and export processors were present and operating. Young cattle were well represented along with a limited selection of heavy grown steers and bullocks. Lot feeder buyers were active along with local restocker competition on plainer lines of steers and heifers

The regular group of buyers competed over a good quality selection of trade cattle. Prices for trade weight steers sold firm to 3c dearer and heifer prices lifted 10c to 15c, medium weight heifers averaged 175.9.c while the steer portion averaged 189.4c/kg. Feeder steers were in short supply and sales ranged from 164c to 192.6c/kg. Vealer numbers declined and quality improved to the previous sale, good quality medium weight vealer's sold 11c to 18c dearer as prices ranged from 195c to 249c/kg,

A good quality selection of grown cattle sold to a full field of export buyers with demand strengthening over all weights and grades. Heavy steers and bullocks sold 6c dearer. Heavy steers averaged 187c and bullocks made from 168c to 189c/kg.
