report date 13 Nov 2012

Yarding Change 4100
-1100

comparison date 06/11/2012

Numbers declined due to widespread rainfall over the weekend. Large numbers of local cattle were penned and several consignments from far western Queensland. All the usual buyers were present and the top-end of light weight steers were snapped up by restocker buyers, but some lines of plainer Brahman steers brought the average price back 2c/kg. Meanwhile, medium weight yearling steers to feed held firm in price and heavy weight yearling steers to export feed continued to sell over 180c/kg. The yearling heifers on offer were very mixed in quality, while medium weight 4 score cows added 3c/kg.

Light weight yearling steers topped at 220c/kg and averaged 206c, down 2c/kg. Medium weight yearling steers to feed reached 199c and averaged 184c, unchanged in price. Heavy weight yearling steers to feed sold to 190c and averaged 182c, down 4c/kg. Light weight yearling heifers to feed sold to 193c and averaged 183c, while those to processors made to 209c and averaged 186c, down 2c/kg. Light weight yearling heifers to restockers topped 182c and averaged 169c, down 3c/kg. Heavy weight yearling heifers reached 162c and averaged 159c, down 6c/kg.

Grown steers to feed sold to 180c and averaged 173c/kg. Medium weight 4 score cows earned to 160c and averaged 151c, up 3c/kg. Cows and calves topped at \$830 and averaged \$534/unit.
