

Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 16 Nov 2012

Rates were mixed across the categories as supply through southern Queensland remains steady despite some recent scattered showers across the state. Prices across NSW were steady as good numbers are still available across most markets. Quality remains fair to good as the continual dry weather persists.

Domestic Paddock Sales

Category	Weight Range	Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350	0	190	212	197	1
Heifer	280-350	0	180	200	188	1
