

Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 23 Nov 2012

Rates were back slightly for the majority of contributors as the continual dry spring weather has buyers becoming more selective in their purchases. Quality throughout the physical markets remains mixed.

In physical markets prices slipped further across all categories.

Domestic Paddock Sales

Category	Weight Range	Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350	0	190	212	196	-1
