

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 06 Dec 2012

Yarding Change ³⁰⁰⁰
390

comparison date 29/11/2012

There was a slight increase in numbers and the quality was good with nearly half of the yarding yearlings and most going to feed and restocking orders. Vealers were in short supply and there were good numbers of heavy grown steers and bullocks. Around 500 cows were also offered to the usual buyers in a dearer market.

Vealers ranged from 170c to 183c for the medium weights and restockers paid up to 190c/kg. Light restocking steers were 10c stronger and the medium weight feeder steers averaged 4c/kg cheaper although selling to a higher top price. Feeders ranged from 162c to 193c/kg. Trade yearling steers were 1c to 4c dearer making 162c to 189c/kg. Trade heifers were firm to 2c cheaper receiving 147c to 175c/kg. Feeder heifers were 2c/kg better.

Grown steers and bullocks were 5c and up to 10c dearer in places and ranged from 168c to 179c/kg. Lighter grown steers to feeder orders gained 5c averaging 172c/kg. Cows were 1c to 4c dearer with the heavy 3 and 4 scores 128c to 154.6c and the high yielding C muscle cows sold from 140c to 170c/kg.
