AuctionsPlus market comments week ending 20 Sep 2013

Rain across much of NSW was a welcome sight earlier in the week, with most of the eastern part of the state receiving between one and two inches. While many will still be looking forward to follow up rain, buyer confidence was evidenced by higher clearances, firmer prices across most categories, and an increase in numbers of bidders logging in to sales. Cattle numbers were steady at 4,313 head, while sheep and lamb numbers increased to 42,005 head including one feature sale. Pass in rates were high for first cross ewes, while young Merino ewes showed great improvement on last week, with plenty making over \$100. Wood Park blood 14 month olds out of West Wyalong made to \$147; in Victoria Kamora blood two year olds sold for \$112, and in SA Collinsville blood two year olds made \$104.50. Mutton prices reflected the inevitable tightening of numbers after this week's rainfall; CFA ewes at Louth estimated to dress 21kg with a one inch skin made 281c or \$60.50; and in Tasmania old wethers estimated to dress 18kg with less than a month's growth on their backs sold from 282c to 298c, including skin values. The Watervalley First Cross Lamb feature sale achieved full clearance for just over 8,000 May/June drop lambs offered. A handful of the heavier wether lambs went to slaughter, while the bulk were bought by restockers in South Australia and Victoria. Wether lambs sold from \$54 to \$98.50 to average \$73 with an average liveweight of 34kg, and ewe lambs ranged from \$75.50 to a top of \$130.50, to average \$105 at an average liveweight of 31kg. Plenty of cows and calves were on offer this week and again sold well. Young Angus cows with calves sold to a top of \$1130 at Glen Innes, and the Black Baldies account the same vendor made \$1010. Older Angus cows with Angus calves made up to \$800, and young crossbred cows with calves made \$790 at Walgett. Weaner prices in QLD were steady, with crossbred steers making 169-171c, while in NSW young restocker cattle met much stronger competition, particularly for 300kg+ cattle. Angus yearling steers 300-350kg sold from 193c to 219c to average 204c, and similar weight crossbred steers averaged 184c. Light steers under 250kg sold from 184c to 221c to average 206c, with light heifers trailing steers by 40c.
