

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Pakenham

report date 22 Jan 2013

Yarding Change 453  
121

comparison date 15/01/2013

There were approximately 400 cows and a few heifers and bulls penned. A small field of buyers showed little interest in the plain quality yarding, with only a couple of export processors operating on the bulls again this week. Heavy weight beef cows carrying good 3 or 4 score condition were firm while the leaner 1 score grades were 13c to 21c/kg cheaper. The 2 score lines were back 2c to 7c while the bulls were 2c to 3c/kg easier.

A few grown empty heifers sold from 109c to 128c/kg. A handful of dairy cows sold from 53c to 110c/kg. Plain condition 1 and 2 score beef cows made between 65c and 116c/kg. Good condition 3 and 4 score beef cows sold between 110c and 126c/kg after a top of 130c for a high yielding C muscle Euro cow. Restocking cows returning to the paddock made from 65c to 106c/kg. Heavy weight C muscle bulls sold to processors from 104c to 123c/kg.
