comparison date 16/01/2013

Numbers declined moderately in a mixed quality yarding with all weights and grades represented. Most of the usual buyers were present, however not all major export companies attended or operated fully.

Heavy cows sold to strong demand with prices firm to 2c/kg dearer. Well finished heavy cows ranged from 112c to 131.6c/kg. The 2 and 3 score cows were in reasonable supply and quality was quite good resulting in prices holding firm to slightly cheaper. The D3 medium weight lines averaged 109.5c while cows returning to the paddock averaged 109.2c/kg.

The mixed selection of bulls sold to steady competition selling from 114c to 128.2c/kg for the better quality types.
