

## **Detailed saleyard report - cattle**

Market information provided by MLA's National Livestock Reporting Service

Toov	voomba Elders	report date	04 Mar 2013			
Yarding Change	134 -656	comparison date	25/02/2013			

A return to more flooding rain resulting in some road closures reduced numbers dramatically. The very small yarding was dominated by young stock and only a handful of grown cattle. A fair panel of buyers was present and prices improved for a small selection of restocker classes, and well-presented trade cattle were scarce.

A couple of vealer heifers to the local butcher trade made to 196.2c/kg. Lightweight yearling steers returning to the paddock or backgrounders made to 222.2c to average 218c/kg. Heavyweights to the trade made to 191.2c to average 180c/kg. Lightweight yearling heifers to restockers averaged 172c and made to 177.2c/kg. A couple of pens of B muscle yearling heifers redirected from a local show made to 221.2c to average 219c/kg.

A couple of heavy 3 score cows sold around 133c/kg. Heavy bulls made to 167.2c/kg.
