

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 17 May 2013

Rates have declined again this week with most contributors reporting ample supply available across all categories. Some contributors eased prices by 5¢/kg across MSA and cow categories.

Please note yearling and light cow prices show no trend due to one contributor offering rates again.

| Grade | Weight Range (cwt kg) | Dentition | Muscle Score | Fat Score | Low Price (c/kg cwt) | High Price (c/kg cwt) | Average (c/kg cwt) | Trend |
|---------------------|--------------------------|-----------|-----------------|--------------|-------------------------|--------------------------|-----------------------|-------|
